Things have been... weird. I was pretty sick for a while, and there are ongoing issues that I don't really want to talk about online.  
You're in New York now! How do you like the new job?

The new job has...ongoing issues, as you may have guessed from my total lack of posts for the last year. :-P But I'm very glad to know you're better! And of course, if you're ever up this way I'd love to get together. My town's kind of small and boring, but the city is only a train ride away.

Birthday, birthday, who's got the birthday?

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Too soon?

Is this conversation grounds for workplace harassment? Not my half of it, of course.

Too soon?

Next time I walk into the local office, I'm going shirtless to make sure I comply with y'all's dress code
